## Description

Dolphin Discovery Puerto Aventuras is located within the complex with the same name, where three species of Marine Mammals live: Dolphins, Sea Lions and Manatees. Visitors can have educational interactions with them and learn to care and respect their environment. This natural habitat is made up of sea and lagoon water, which makes it the perfect home for the species that live in their care.

## Activities

- Interaction with Dolphins, Sea Lions and Manatees
- Coffee shop
- One restaurant
- Boutique
